Payment of LTS membership fees MUST be made before attending a second session of the program or the participant will be barred from continuing his/her participation until fees are in order.

The first child rate is charged against the most expensive child, the second child is the next most expensive and the third child is the least expensive.

New CST swimmers are offered a two week trial period and then sessions fees must be paid. At the beginning of the competitive season payment of CST membership fees MUST be made before attending the first competition or will be barred from continuing his/her participation until fees are in order.

New members to the club, who wish to commence their first season late, will pay 60% of the total cost - only if more than half of that season has already passed. To attend CHAMPS they must meet the requirements of the EFSL **and pay the full amount for the Splash fees.**

Fees may not be transferred from one season to the following. Fees are not refundable unless the participant provides a medical certificate or the NATO Marlins Swim Club cancels the program.

CST Families are required to provide 40 hours of volunteer time during the Aug-Feb season to help run swim meets.

CST AA, A, B & C swimmers are required to have fins, pull buoy, paddles and kick board for practices. These may be rented from the club for a maximum of €60 depending on which equipment is rented, with up to €50 to be returned when equipment returned in good order.

NATO HQ Staff Center Membership

All LTS and CST swimmers must hold a current membership for the NATO HQ Staff Center for the period of training. Membership fees are available at the Reception desk of the Staff Centre.

Please note: The NATO HQ Staff Center Membership Fee may be subject to change by the NATO HQ Staff Center.

NATO HQ Staff Center Swimming Pool Admission

In order to keep the fees paid to the NATO Marlins Swim Club as low as possible, pool space is not rented. Therefore each participant MUST pay his/her own admission fee to the NATO HQ Staff Centre pool in addition the the above Staff Centre fee.

Swimming Pool Admission (as of 1 Jan 2011)		Age 6-12	Age 12+
Annual Pass abonnement annuel	January - December janvier - décembre	€2.50	€75.00
Temporary Passes abonnement temporaire	April - December avril - décembre	€45.00	€60.00
	July - December juillet - décembre	€36.00	€45.00

	October - December octobre - décembre	€24.15	€30.00
20-session Card carte de 20 bains		€31.00	€44.00
per swim par bain		€1.50	€2.50
Guests per swim invité(s) par bain		€3.50	€3.50

Please note: Swimming Pool Admission Fees are subject to change by the NATO HQ Staff Center.
Amounts listed may not reflect the current fees.

Members of the CST MUST buy an annual pass, as their training sessions are outside pool opening hours.

For your consideration:

If you/your child swim/s twice a week for one session, that means to be in the pool 20 times (20 x 1.50 = € 30.00), with additional four visits to the pool in the same year, it would be less expensive to purchase an Annual Pass rather than a Temporary Pass.
