

TO GET TO THE NATO Marlins SWIM MEET

By Car

1. Regardless of direction, take Exit 4 on the Brussels Ring road.
2. At Exit 4, take the A 201 direction Brussels and Evere; you will be heading west.
3. Travel down the A 201 for about one or two kilometres until you reach the first set of traffic lights.
4. At the lights, turn left as if you were trying to enter NATO HQ's Main Gate (You will see lots of flags).
5. Having crossed the opposite lanes of the A 201, you need to make an immediate left turn onto a slip road (Av. D. Bourget), which is parallel to the A 201. You will immediately reach another set of lights. At this point, you will be 10 or so meters from NATO HQ's Main Gate and heading east on Av. D. Bourget.
6. Continue straight on the slip road for about 400 meters or so until you reach the next entrance into the NATO area with a small guardhouse on your right. This is the entrance you can use. The big building immediately in front is the NATO Staff Centre, where the pool is located.

Once past the guards, you can use either the left or right parking lot.

A Bus will probably **not be able to make the hard right hand turn required to get into the Staff center entrance this way.**

If the bus comes this way, the bus should just park outside the main gate, and offload the passengers. The pool is the building immediately past the gate guards (1 minute walk).

NATO HQ Back way - used for buses, if they need to park on the facility.

Directions to NATO. Take the **E19** to Brussels, and exit at the **RING (R0** on the map) in the direction of **ZAVENTEM** (Brussels National Airport). Exit at **Zaventem Centrum** and turn left at the lights. You will be passing back over the RING on **Hector Henneaulaan**. Follow this road down to a Round-About. Go 3/4 around so that you are making a left turn. The street shows on the map as **Hermeslaan**, but I believe the street sign shows it as **Ave Bourget**.

Follow **Hermeslaan/ Ave Bourget** all the way to the end. When you cannot go any further (it turns into a ONE WAY in the other direction) you will see a gate with a guard at it.

This is the entrance to the NATO Staff Center. The pool is the building directly in front of you when you pass the guards.
